Dear Valued Customers,

It is our mission to bring our dealers the best possible service. Along with this, we also strive to provide leading brands with top products. In order to maintain our relationships with many of these brands we continue efforts to help enforce many policies that these brands attribute to the success of their identity. This includes MAP and 3rd Party Reselling. Respectively we would like to remind our dealers that the following brands have policies that prohibit the sale of any of their products on a 3rd party resellers website:
