

Dear Valued Customers,

It is our mission to bring our dealers the best possible service and a wide selection of products from an array of manufacturers. Some of these manufacturers have policies that they attribute to their success and brand image. These policies include MAP and 3rd Party Reselling. Respectively, we would like to remind our dealers that the following brands have policies that prohibit the sale of any of their products on a 3rd party resellers website:

Third Party Restrictions

- | | | | |
|--------------------------------|--|--------------------------|---------------------------|
